PATHOLOGY AND LABORATORY MEDICINE

PATERSON LECTURE

John C. Bell, PhD, OC, FRSC, FCAHS

Professor,
Medicine and Biochemistry, Microbiology & Immunology,
University of Ottawa

"Adventures in Translating Discoveries into Clinical Products"

Thursday, December 3, 2026
1:00 p.m. - 2:00 p.m.
University Hospital, Auditorium A

Dr. Bell is currently Professor of Medicine at University of Ottawa and Senior Scientist at The Ottawa Hospital Research Institute. His research program focuses on understanding at the molecular level, the defects in signaling pathways that lead to the formation of cancers and using this information to develop novel biologically based therapeutics. He is also Scientific Director of BioCanRx, a Network of Centres of Excellence program focused on the translation of fundamental laboratory discoveries into clinical testing.

ACCESSIBILITY Please e-mail ccampbel@uwo.ca if you require information in a different format or if other arrangements can make this event accessible to you. Campus Accessibility Map at www.accessibility.uwo.ca/maps.htm
