

Honors Specialization modules	Department(s) offering the module
<a href="#">Biochemistry</a>	Biochemistry
<a href="#">Biochemistry and Cell Biology</a>	Biochemistry + Anatomy and Cell Biology
<a href="#">Biochemistry and Pathology of Human Disease</a>	Biochemistry + Pathology and Laboratory Medicine
<a href="#">Biochemistry of Infection and Immunity</a>	Biochemistry + Microbiology and Immunology
<a href="#">Chemical Biology</a>	Biochemistry + Chemistry
<a href="#">Computational Biochemistry</a>	Biochemistry + Computer Science
<a href="#">Epidemiology and Biostatistics</a>	Epidemiology and Biostatistics
<a href="#">IMS (Interdisciplinary Medical Sciences)</a>	ALL of the basic medical science departments
<a href="#">Medical Biophysics (Clinical Physics Concentration)</a>	Medical Biophysics and Physics
<a href="#">Medical Biophysics (Medical Science Concentration)</a>	Medical Biophysics
<a href="#">Medical Biophysics and Biochemistry</a>	Medical Biophysics + Biochemistry
<a href="#">Medical Cell Biology</a>	Anatomy and Cell Biology
<a href="#">Medical Health Informatics</a>	Pathology and Laboratory Medicine + Computer Science
<a href="#">Microbiology and Immunology</a>	Microbiology and Immunology
<a href="#">Microbiology and Immunology with Pathology</a>	Microbiology and Immunology + Pathology and Laboratory Medicine
<a href="#">Pathology</a>	Pathology and Laboratory Medicine
<a href="#">Pharmacology</a>	Physiology and Pharmacology
<a href="#">Physiology</a>	Physiology and Pharmacology
<a href="#">Physiology and Pharmacology</a>	Physiology and Pharmacology
