

## A Pathway to Western

### Bachelor Medical Sciences (BMSc) Program

This information sheet has been designed specifically for students from Nanjing Medical University (NMU) who would like to be considered for admission to Year 3 of the 4-year Bachelor of Medical Sciences degree under the approved Articulation Agreement. As part of this Articulation Agreement, students must be evaluated and nominated by NMU to be considered for admission.

#### STEP 1: APPLY

- Make an application to Medical Sciences (ESM) through the OUAC (Ontario Universities' Application Centre) at [www.ouac.on.ca/105](http://www.ouac.on.ca/105) by **March 1**.
- Select one of the following as your Subject of Major Interest: Biochemistry, Biochemistry and Cell Biology, Biochemistry of Infection and Immunity, Biochemistry and Pathology of Human Disease, Medical Cell Biology, Microbiology and Immunology, Microbiology and Immunology with Pathology, Pathology, Pharmacology, Physiology, or Physiology and Pharmacology.
- Email a copy of your NMU nomination letter to Western Admissions by **March 1**.

#### STEP 2: SUBMIT DOCUMENTS

Using the OUAC application, a request can be made to send NMU transcripts to Western electronically. Please watch for the prompts and carefully note the timelines for sending transcripts.

Submit:

- Submit your mid-year transcript from NMU including grades for the current year through the OUAC site.
- Submit your final NMU transcript for the academic year **to Western Admissions** by the deadline included in your offer package.
- Email your English Language proficiency test results **to Western Admissions**. Western's institution code is 0984.
- Any other documents required **by Western Admissions** will be requested at the time of application.

#### STEP 3: OFFERS OF ADMISSION

- A conditional admission decision should be made by mid-April.
- Please note that admission to the BMSc Program is competitive and possessing the minimum requirements does not ensure an offer of admission.
- The final admission decision will be available in early June.

## Admission Requirements

- Completion of all courses in first, second and third years of the Bachelor of Medical Science program at NMU;
- Minimum cumulative average of at least 80% (in the context of Western's grading system) in the courses required as part of the agreement (see [Appendix A](#) for a list of courses)
- No individual mark less than 60% (in the context of Western's grading system) in any course required as part of the agreement.
- English language proficiency for International students (TOEFL – internet based score of at least 83 with no individual score below 20 or IELTS of 6.5 with no individual score below 6.0). Other acceptable English proficiency test options can be found: [http://welcome.uwo.ca/admissions/admission\\_requirements/english\\_language\\_proficiency.html](http://welcome.uwo.ca/admissions/admission_requirements/english_language_proficiency.html)
