Dear Doctor of Dental Surgery Class of 2022,

Welcome to Schulich Dentistry!

We know that your arrival at the Schulich School of Medicine & Dentistry is the end product of many years of hard work. Your personal strengths and passion for the study of Dentistry have and will continue to serve you well in the years that are to come.

The Learner Equity and Wellness Office is dedicated to helping to keep you on the track to success. Our office participates in many ways to support your learning experience at Schulich in both the good times and the not so good times. We are your “go to” people for your questions about your physical and mental health, learning supports, career choice and transitions, financial issues and concerns about your learning environment.

We are located in Room K1, in the Kresge Building.
