Greetings Class of 2021,

On behalf of the Orientation Week Committee, we would like to congratulate each and every one of you on your outstanding accomplishments over the years, and welcome you to the Schulich community!

The Orientation Week Committee is currently hard at work planning a memorable Orientation Week for your class. It will be taking place from Monday, August 28 to Monday, September 4. This includes the mandatory White Coat Ceremony which will be taking place on Tuesday, August 29. Please mark these dates on your calendar.

The overall goal of Orientation Week is to help you integrate into the community that will be your home for years to come. The week will consist of a variety of administrative and social events that will allow you to interact with your classmates along with your peers in upper years. Many students have had many fond memories from Orientation Week. We hope we can recreate the same unforgettable experience for you as you begin your journey at Schulich Dentistry.

If you have any questions please feel free to contact us (see below). If you haven’t already, please also join the “Schulich Dentistry Class of 2021” Facebook group. This is a great forum to share any queries you may have. The entire team of Orientation Week leaders and volunteers look forward to meeting you in August!

Enjoy your summer!
