

Student Financial Services

Dear Prospective Student,

Student Financial Services is responsible for the Financial Aid Programs at Western University and encourage incoming Dentistry students to apply for an Admission Bursary.

Admission Bursaries are non-repayable grants awarded on the basis of financial need. In this process, financial need is determined in a manner similar to the Canada and Ontario Government Student Loans assessment. The costs of the Dentistry program are compared against the resources you have available.

The amount of the bursary you are eligible for will be applied directly to your tuition account.

You must submit an on-line Admission Bursary Application to be considered. You can access the on-line application by visiting the following website:

<https://studentservices.uwo.ca/secure/AdmissionBursaries/>

The on-line Admission Bursary Application will close on July 18, 2018. IF you miss this deadline, you will have an opportunity to submit an application and be considered for bursary funding once the on-line Financial Assistance Application becomes available in early August.

Please contact Student Financial Services at (519) 661-2111 ext. 85958 if you have any questions about the Admission Bursary Application.

We wish you continued success in your future academic endeavors and we look forward to welcoming you to our community.

Sincerely,

Norma Merino
Student Financial Services
