Department of Medicine Friday Rounds
LHSC – Victoria Hospital
Friday, February 9, 2018
Sumner Auditorium, Room B2-119, VH
(11:45 am lunch available)

12:00 p.m.  Selected Topics in Internal Medicine – Staff Presentation

Speaker:  Dr. Chris Licskai, Respirology
Dr. Shahna Tariq, PGY-2

Topic:  Doing Ordinary Things Extraordinarily Well

At the conclusion of these rounds, participants should be able to:

1. Apply elements of recently published COPD guidelines to their clinical practice

2. Describe the World Health Organization (WHO) strategic themes for people-centred health system innovation

3. Appraise the impact of using a strategic approach to guideline implementation (“doing ordinary things extraordinarily well”)

4. Evaluate the potential of smartphone applications in chronic disease management

This event is an accredited Category 1 group learning activity as defined by the Maintenance of Certification (MOC) Program of the Royal College of Physicians and Surgeons of Canada.

Attendance and evaluation forms will be distributed to your UWO e-mail through One45 on Saturday.

Department of Medicine thanks Grifols for their generous support of Respirology Rounds at LHSC-Victoria Hospital
