Department of Medicine Friday Rounds
LHSC – Victoria Hospital
Friday, March 16, 2018
Sumner Auditorium, Room B2-119, VH
(11:45 am lunch available)

12:00 p.m.  Selected Topics in Internal Medicine – Staff Presentation
Speaker:  Dr. Niamh O'Regan, Geriatrics
Topic:  Delirium Screening in clinical Practice – Mind the Gap!

Objectives:
1. Recognise the barriers to delirium detection and the importance of delirium screening
2. Understand the challenges in translating delirium screening tools from research to the bedside, for daily screening
3. Reflect on what might make a screening tool feasible for daily use in busy clinical settings

This event is an accredited Category 1 group learning activity as defined by the Maintenance of Certification (MOC) Program of the Royal College of Physicians and Surgeons of Canada.

Attendance and evaluation forms will be distributed to your UWO e-mail through One45 on Saturday.
