The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.

Thursday, January 18, 2018
12:00 — 1:00pm
Auditorium B, University Hospital

Current Concepts in Cardiac Resynchronization Therapy

Objectives:

1. Provide an overview of cardiac resynchronization (CRT)
2. Review the evidence and indications for CRT
3. Discuss the risk factors for CRT non-response
4. Discuss alternative approaches to conventional CRT
