- Zoom

<https://westernuniversity.zoom.us/j/98807304248>

## **Pheochromocytoma: Update on a 'classic'**

### **Objectives:**

By the end of this Grand Rounds Presentation, participants should/will be able to:

1. Describe the presentation of pheochromocytoma/paraganglioma
2. Order appropriate biochemical, imaging and genetic tests
3. Arrange appropriate preoperative treatment

Dr. Stan Van Uum

Dr. Stan Van Uum is a clinician scientist and endocrinologist the Dept. of Medicine. His clinical practice reflects a particular interest in pituitary and adrenal diseases, and secondary hypertension. Dr. Van Uum is currently the Chair of the Division of Endocrinology and Metabolism and the Medicine Site Chief for St. Joseph's Hospital.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.

**Evaluations will be sent out and your attendance calculated automatically through One45.**
