A tale of 2 cancers:
The good, the bad, and the ugly of medical oncology

Dr. John Lenehan

Objectives:

By the end of this Grand Rounds Presentation, participants should/will be able to:

1. Be familiar with current state of cancer in Canada
2. Be familiar with the scope of medical oncology and anti-cancer systemic therapy in general
3. Understand the difference in outcomes for pancreatic and melanoma skin cancers

Dr John Lenehan is an Assistant Professor and medical oncologist in the Department of Oncology at Western University with a focus on melanoma and GI cancers.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.

Evaluations will be sent out and your attendance calculated automatically through One45.
