**Update on Acute Stroke Management:
What I need to know as an Internist**

Dr. Jennifer Mandzia,
MD, PhD, FRCPC

Dr. Jennifer Mandzia is a Stroke Neurologist and Associate professor in the Department of Clinical Neurosciences, at Western University. She is the Medical director of the Southwest Ontario Stroke Program, which includes LHSC.

Objectives:

By the end of this Grand Rounds Presentation, participants should/will be able to:

1. Identify the process for inpatient code strokes at LHSC
2. Discuss the challenges of identification and treatment of the acute stroke inpatient
3. Be able to recognize potential stroke mimics and differentiate them from stroke patients
4. Describe the indications for acute stroke revascularization therapy
5. To discuss the recent evidence for Tenectaplastase vs. Alteplase for acute ischemic

Please visit [Department of Medicine Grand Rounds](#) to access recordings from this and prior Grand Rounds presentations.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.

Evaluations will be sent out and your attendance calculated automatically through One45.
