

Medicine Grand Rounds

Friday March 22 @ 12:00 – 1:00 pm

Dr. Leandro Cardarelli Leite

Dr. Leite is an Adult and Pediatric Interventional Radiologist with large experience in endovascular treatments for venous thromboembolism. He has been working with Thrombosis, Medicine and Intensive Care in building a PE Thrombectomy Program at LHSC.

Dr. Adrienne Edgren

Dr. Edgren is a highly skilled and compassionate internal medicine specialist with 10 years of experience as a hospitalist. She also serves as Associate Faculty at Michigan State University College of Human Medicine and College of Osteopathic Medicine, as a clinical preceptor for medical students, and family practice residents. She has been an integral member of VTE program development in her community hospital.

VTE Thrombectomy: A Hospitalists' Perspective

Objectives:

1. Briefly discuss DVT.
2. Discuss patient selection: identifying the massive and intermediate risk PE patient.
3. Building the patient pathway.
4. Improving patient outcomes.

University Hospital: Auditorium A

Victoria Hospital: Sumner Auditorium

Zoom Link: [Join Zoom Meeting](#) (Meeting ID: 998 0730 4248)

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.

Evaluations will be sent out and your attendance calculated automatically through One45.
