CURRENT RESEARCH OPPORTUNITY FOR MSC APPLICANTS

**Graduate Program:** Department of Epidemiology and Biostatistics MSc Program

**Research Cluster(s):** Marginalized Populations & Social Determinants of Health, Biostatistics and Computational Methods

**Supervisor:** Dr. Greta Bauer

**Supervisor’s Affiliations:** Professor, Epidemiology and Biostatistics, Affiliate Member, Women’s Studies and Feminist Research

**Vacancies:** 1-2

**Term:** 2 Years

**Student Position Title:** Master’s student in health equity

**Description:** We are seeking one to two (funded) master’s students with strong quantitative skills to pursue their graduate education in the department of Epidemiology and Biostatistics. Students will join a vibrant team of researchers, staff and students working in the one or more areas of transgender health, health equity, intersectionality, and novel applications for statistical methods in population health research.

**To Apply:** Applicants must independently apply to the Epidemiology and Biostatistics MSc graduate program, using the online Western application portal including a clear reference to this research project in the Statement of Academic Interest.

**Application Deadline:** January 15

**Contact Information:** Questions regarding the application process, or inquiries about the Epidemiology and Biostatistics program may be addressed to the Academic Program Coordinator.

Questions about this graduate student opportunity posting may be addressed to Dr. Bauer at gbauer@uwo.ca.
