PRE-ENTRY ASSESSMENT PROGRAM (PEAP) for FELLOWS

FINAL ASSESSMENT FORM

The Pre-Entry Assessment Program (PEAP) for fellows is an assessment process that evaluates certified international medical specialists to determine whether they can function at the level of Ontario residents who have completed their primary certification and are qualified to enter an Ontario fellowship program.

The PEAP process allows for appropriate, supervised clinical activity. A PEAP candidate is assessed in a multidisciplinary environment where there is patient input on an ongoing basis. The PEAP must meet the following criteria:

a) be of four to twelve weeks in duration
b) be taken at a medical school in Ontario
c) provide assessment of the candidate’s general knowledge and competency in the specialty in which s/he is certified, and appropriate for practice in the discipline in which the candidate is entering fellowship training
d) provide assessment in respect of whether the candidate,
   • is mentally competent to practise medicine
   • has the ability to practise with decency, integrity and honesty and in accordance with the law
   • has sufficient knowledge, skill and judgment to engage in the kind of medical practice authorized by the certificate
   • can communicate effectively and displays an appropriately professional attitude

The Postgraduate Office should forward copies of this evaluation to the designated supervisor, the candidate and the CPSO.

Important note to the assessors and the candidate:

Before the candidate begins his or her PEAP, he or she must have received from the College an educational certificate for PEAP or been advised by the College’s Registration Department that a certificate has been issued. Upon successful completion of the PEAP, the CPSO will automatically convert the educational certificate for PEAP into a full certificate of registration for Postgraduate Education to coincide with commencement of the fellowship program.

It is an offence under the Regulated Health Professions Act for a person to practice medicine in Ontario until such time as the person is registered and authorized to practice medicine by the College of Physicians and Surgeons of Ontario.
