Clinical International & Health Equity Learning Awards

**Dr. Rob Tingley Class of '95 Developing Countries Award** Awarded to a student in Year 4 of the Doctor of Medicine (MD) program to assist with the travel or program expenses directly related to a medical overseas elective experience through the "Medical Electives Overseas Program" (MEOP). An overseas elective enables a medical student to observe first-hand the primary role of poverty in disease and the natural history of disease. MEOP provides students with the opportunity to gain increased cultural awareness, and helps students develop a tolerance and respect for other cultures. The recipient will commit to a 6 to 8 week experience. Only if the elective is considered valuable by the Undergraduate Medical Electives Overseas Committee will an extension of time be accepted. The recipient will be selected by the Scholarship and Awards Committee of the Schulich School of Medicine & Dentistry in consultation with the Undergraduate Medical Electives Overseas Committee. This award was established by the friends and family of Dr. Rob Tingley of the Medical Class of 1995. Dr. Tingley's elective in Kijabe, Kenya (Oct 29-Dec 22, 1994) was a life-altering experience. His friends and family have chosen to honor his legacy by enabling future students to have similar experiences. Value: 1 at $2,100 Effective: 2014-2015 academic year

**The Joan Scarfone Memorial Award** Awarded annually to a full-time student registered in the Schulich School of Medicine & Dentistry Windsor Program in fourth year in the Doctor of Medicine (MD) program, who will be pursuing a medical elective in a developing country. The award will be made prior to the student's departure. Value: 1 award at $1,250

**Dr. Carol Hindmarsh Summer Studentship Award** Awarded annually to a full-time undergraduate student in any year of the Doctor of Medicine (MD) program at the Schulich School of Medicine & Dentistry who is confirmed to be participating in a summer student project working with under-served and vulnerable patient populations in Canada or abroad, as part of an existing student group participating in outreach work, or as an independent project. Eligible candidates will be chosen by the Office of Global Health and the recipient will be selected by the Progression and Awards Committee at Schulich School of Medicine & Dentistry. This award was established with Foundation Western by a generous donation from the Hindmarsh Family. Value: 1 at $1,700 Effective: 2014-2015 academic year

**Andrew D. Mason Memorial Award** Awarded annually to a Year IV student in the Doctor of Medicine (MD) program for elective work in a developing country under the Medical Electives Overseas Program, as chosen by a special committee appointed by the Dean of Medicine & Dentistry. Established in memory of Andrew David Mason, who died while on elective in Nepal. Value: 1 @ $100

**United Church Women of London Conference Global Health Award** Awarded annually to a full-time undergraduate student in fourth year Medicine, in the Doctor of Medicine (MD) program, who has made a major contribution towards advancing the vision and mission of the Global Health Program within the Schulich School of Medicine & Dentistry and to the field of maternal, newborn or child health in a developing country; or has plans to pursue any one of these fields upon graduation. Faculty, staff and students are invited to submit candidates' names through a nomination form by March 15th to the Office of Global Health. Eligible candidates will be shortlisted by the Office of Global Health with the final recipient selected by the Progression & Awards Committee at the Schulich School of Medicine & Dentistry. This award was established with a generous gift from the United Church Women of London Conference. Value: 1 at $1,000
Dean Carol P. Herbert Award in Health Advocacy Awarded to a fourth year medical student who is deemed by the Progression, Awards & Appeals Committee to evidence a keen interest in health advocacy activities such as working within a community organization, involvement in a social cause to better a community or group of disadvantaged individuals, participation in an overseas elective to a developing country and subsequent production of a report. Applications for this award will be submitted in one of two formats: a CV from the applicant, or a nomination letter from a non-applicant nominating a specific undergraduate medical student. Both documents must reference specific advocacy activities completed by the intended recipient. Deadline for applications is March 31. The award will be conferred at the medical convocation ceremony each year. This award was established by a generous gift from Dr. Carol Herbert. Value: 1 at $450 Effective: 2015-2016 academic year

The following 2016-2017 FALL Awards are available for application. Individual criteria, application requirements and deadlines for each award vary. Award sums were confirmed at time of posting however are subject to change. Links for applications will be updated as they become available.
