

May 9, 2017

To the Class of 2021,

As your Orientation Coordinators and on behalf of the Class of 2020, congratulations and welcome to the Schulich family! We hope you are excited to start your adventure with Schulich Medicine. You have worked very hard to get to where you are today, so make sure you spend time celebrating with your friends and family this summer – you deserve it!

It may seem like there is an overwhelming list of things to do before starting at Schulich but we promise that it is all manageable. You should refer to the post admissions website often, as it will be a valuable resource for you. It can be found here:

https://www.schulich.uwo.ca/medicine/undergraduate/future_students/post_admission.html

Your official welcome to Schulich will be the White Coat Ceremony on August 29th, 2017. Following that, you will be able to participate in orientation activities designed by the 2020 Class where you will be able to meet your new classmates and learn about your new program. Speaking of classmates, make sure to join our Facebook group (<https://www.facebook.com/groups/216068535559182>) to get in touch with your peers and keep up to date with all orientation information.

The three of us and the rest of the 2020 Class are here to help you with any and all questions you have. Please feel free to post in the Facebook group or send us an email (schulichmedsoweek@gmail.com) at any point throughout the summer.

All of us are here to facilitate a smooth transition and ensure you have the best start to your medical career! We can't wait to meet you and welcome you to Schulich. Enjoy your summer and we will see you at your White Coat Ceremony!

Your Orientation Coordinators,

Sierra, Shelby, and Raman
