Pre-Clinical Placement Requirement Clearance Information
(for Entering London Campus Students)

Western’s Student Health Services (SHS) has partnered with the Schulich School of Medicine & Dentistry to provide support and clearance on Pre-Placement Requirements for London Campus students. In addition to Pre-Clinical Placement Requirements, some elective sites may request documentation for their records. It is the students’ responsibility to provide this as requested, not Student Health Services or the Schulich School of Medicine & Dentistry.

INSTRUCTIONS FOR PRE-CLINICAL PLACEMENT CLEARANCE

In order to meet the Pre-Placement Requirements, you need to complete the following steps:

• **Book an appointment** with SHS well before your requirement deadline. Appointments are scheduled by phone at 519-661-3030. You will need to have your Western student number and email address to book your appointment.

• Gather all documentation and update immunizations/vaccinations, as per the Medical Requirements listed on the Entering Student Requirements Checklist. **NOTE: Immunizations are available directly from SHS and should be booked prior to your clearance appointment.**

• Gather all other documentation and renew qualifications as required, as per the Non-Medical Requirements on the Entering Student Requirements Checklist.

• Bring 2 copies (original plus copy) of all documentation with you to your clearance appointment. You should retain the original and the copy will be turned into Student Health Services once your clearance is complete.

*Failure to adhere to the requirement deadline (October 1, 2017) will result in a hold on your academic progress which could result in the loss of the academic term.*

YOUR APPOINTMENT WITH WESTERN’S STUDENT HEALTH SERVICES

You need to make an appointment with a Student Health Services nurse for final clearance. **Your student number and UWO email address is required.**

You are encouraged to book your appointment early, even if you do not have all documentation in place. Don’t wait until the last week to book your appointment as appointment times will fill.

Ensure that *all requirements have been met and proof of completion has been received BEFORE* you attend your scheduled appointment*. You will not be cleared until all requirements have submitted and if there is anything outstanding, you will be required to pay for an additional appointment.

*Note: The influenza vaccination (flu shot) is only available during flu season. Documentation is due by December 1 and can be submitted to Student Health Services. Submission information to be provided in the Fall term.

If documentation is missing or a requirement is not complete, students will need to book another appointment for an additional fee.

If you need to cancel an appointment, ensure you cancel **at least 24 hours** prior to your appointment or you will be charged for a missed appointment. You can call the cancellation line 24 hours a day at 519-661-3030.
Please bring to your appointment:
- Blood lab reports (as required)
- Yellow immunization card or other proof of immunization
- Certification cards (as required)
- Original and a photocopy of all documents
