

After the ITR period, the ITRs are uploaded to Student Centre: click on Intent to Register

The screenshot displays the Student Centre website interface. At the top, a blue navigation bar contains the 'Admissions' menu. Below it, a light blue box with an information icon states: 'You do not have any pending applications at this time.' Two links are provided: 'Ontario Universities' Application Centre (OUAC) Welcome to Western - Undergraduates' and 'Apply for Graduate Admission Prospective Graduate Students'. The 'Academics' menu is expanded, showing three columns of links: 'Planning' (with 'Intent To Register' circled in red), 'My Academics', and 'Documentation'. The 'Finances' menu is also expanded, showing 'My Account' and 'Account Summary' sections. On the right side, a vertical sidebar contains 'Advisor' (Program Advisor: None Assigned), 'Services at Western', 'Student Links', and 'Around Campus'.

View My Intent To Register

Undergraduate students must declare their Intent to Register for the following Fall/Winter term. This process begins with Program Counselling in early February. Starting in April, your Intent to Register choices for the following year will be displayed here. Consult your Faculty or Affiliated University College website for program counselling and Intent to Register dates, locations and instructions. If you believe your intent to register has been recorded in error, contact your counselling office.
