“Physician and Provider Wellness and Resiliency; In our Department and in the Broader Context of Health Care Systems”

Dr. Maria MacDonald
Neurologist in Oncology, Wellness and Resiliency Lead
Department of Oncology, Schulich School of Medicine and Dentistry

Objectives:
• Literature review of physician burnout and potential solutions within the domains of wellness
• Presentation of data and feedback from a Wellness Committee’s initiative in the spring of 2018; Meditation and Leadership Retreat and 12 Week Pilot Study
• Drafting and brainstorming of a work plan for future wellness initiatives within the Department of Oncology

Please bring your thoughts for a discussion/focus group, to be followed by an email survey/call for suggestions.
