ONCOLOGY GRAND ROUNDS
Tuesday, October 31, 2017

12:00 to 1:00 p.m. in Rooms A3-924A/B
London Regional Cancer Program

“Cancer and the microbiome”

Mary MacKenzie, MD, FRCPC
Medical Oncologist,
London Regional Cancer Program

Objectives:
• Understand the significance of the microbiome in health and disease
• Explore the relationship between some microbes and the development of cancer
• Learn how microbes may affect the efficacy and toxicity of cancer treatments

Hosted by: Medical Oncology
