

# Master of Clinical Sciences Pathologists' Assistant Program

## *Receipt of*

### **Outline of Criteria for Graduation**

This is to confirm I understand that in order to graduate from the Master of Clinical Sciences Pathologists' Assistant Program,

**I have to:**

- Pass all courses in year 1 (unless exempted) with a minimum average of 70%
- Complete all rotations with "Meets Expectations" evaluation in year 2
- Pass all oral examinations in year 2 at the end of each rotation
- Satisfactorily complete the Research Project and present the data at the Pathology and Laboratory Medicine Research Day
- Abide by all the rules and regulations as required by the PA Graduate Education Committee, Department of Pathology and Laboratory Medicine, and Western University.

\*\* Completion of the ASCP and CCCPA Exam are not required for graduation from our Master of Clinical Sciences Pathologists' Assistant Graduate Program.
