INTERACTIVE MICROSCOPE TUTORIAL IN HEMATOPathOLOGY

Friday, April 21, 2017
University Hospital  Room A3-100 | 1151 Richmond St | 12:00 - 4:30 pm

MEETING DESCRIPTION
Join us for an afternoon of interactive learning around the multiheader microscope. Topics will include diagnostic work-up, differential diagnosis and use of ancillary testing in large/aggressive B-cell lymphomas, and review of the 2016 WHO classification of nodal small cell lymphoid neoplasms. Sessions are designed to improve diagnostic skills and provide practical tips for solving diagnostic dilemmas. This course is relevant to practicing pathologists involved in the interpretation of lymph nodes and bone marrow specimens.

FACULTY
Kamilia Rizkalla, MD, FRCPC, Professor
Christopher Howlett, MD, FRCPC, Assistant Professor
Nikhil Sangle, MD, FRCPath(UK), Assistant Professor

PROGRAM SCHEDULE

12:00 pm Lunch, registration and welcome

12:45 pm Session 1
Nodal B cell lymphomas, small cell type
At the end of this session, participants will be able to use key histologic features to differentiate types of nodal small cell lymphoid neoplasms, interpret immunohistochemical studies used in the diagnostic work-up of small cell lymphoid neoplasms, and discuss the new entities included in the revised 2016 WHO classification.

1:45 pm Break

2:00 pm Session 2
Diagnostic work-up and use of ancillary testing in large/aggressive B-cell lymphomas
At the end of this session, participants will be able to follow an algorithmic approach towards the work-up of large and aggressive B-cell lymphomas, appropriately utilize the available ancillary tests, and list differential diagnoses to be considered.

3:00 pm Break

3:15 pm Session 3
Diagnostic work-up and use of ancillary testing in large/aggressive B-cell lymphomas continued...

4:10 pm Completion of evaluations

4:15 pm Close

ACCREDITATION
This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, approved by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University. (3.0 hours). Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

Policies
Cancellation Policy:
Western University reserves the right to cancel this program due to insufficient registrations or circumstances beyond its control. Registrants will be notified at the earliest possible date. Western is not responsible for any costs or expenses incurred by registrants in connection with cancellation. Western will be refunded in full; however Western will not be liable for any loss, damages or other expenses that such cancellations may cause.

Privacy Policy:
Western respects your privacy. The personal information collected on this form is collected under the authority of The University of Western Ontario Act, 1962, as amended, and is used for the following purposes:
- Provide you with confirmation of registration for this program;
- Provide follow-up info to you about this course, as necessary;
- Inform you of future educational opportunities;
- Maintain class list and attendance records so that you can obtain study credits/certificate of attendance where applicable. This information may be disclosed to professional bodies, as required.
- Please note that no information about you, including your email address, will be disclosed to external third-party organizations without your consent. Your name and contact information can be removed from our database at any time by contacting Continuing Professional Development by telephone 519-661-2111, ext. 82506.

Refund Policy:
For courses with a tuition fee, a notice of cancellation must be received in writing 10 business days prior to the program date. A minimum of 30% up to a maximum of 25% of the tuition fee, whichever is greater, will be charged for cancellations received on or before this date. Western regrets that refunds cannot be offered after the notice of cancellation deadline. Receipts are issued on the day of the course.
