

## **Subspecialization Program in Child and Adolescent Psychiatry**

Western now offers a **Subspecialization Program in Child and Adolescent Psychiatry**. Our Program offers a wide range of clinical opportunities in both hospital and community settings. We can offer a very favourable faculty to resident ratio to provide residents with opportunities to fit individual learning needs.

We have over 25 different clinical opportunities including:

- Acute Care Inpatients
- Chronic Care Inpatients
- Eating Disorders (inpatient, day treatment, outpatient)
- Day Treatment Program
- Outpatients
- Developmental Disabilities
- Sleep Medicine
- Residential Care
- School Based Programs
- Windsor Hospital and community experiences
- Community Psychiatry
- Addictions
- Emergency Psychiatry
- Consult Liaison Psychiatry
- Forensics
- Genetics
- Paediatric Neurology Electives
- Paediatric Medicine Electives
- Developmental Paediatrics
- Neuroimaging

Training Facilities Include:

- London Health Sciences Centre
- Child Parent Resource Institute
- Parkwood Institute
- Vanier Children's Centre
- First Episode Mood and Anxiety Program
- Windsor Regional Children's Centre
- Glengarda
- Maryvale Adolescent and Family Centre

Our Subspecialization Program also offers innovative learning opportunities in:

- Psychopharmacology
- Research Leadership and Administration
- Educational Scholarship
- Psychotherapy
- Teaching

This is a two year program, starting in your PGY-5 year. Applicants should be in their PGY-4 year at the time of the application. For those interested in applying applications are due September 15<sup>th</sup> of the given year. If spots remain available, a second round of applications will be accepted.

Application requirements include a personal statement outlining your interest in our program, a curriculum vitae, and 2 letters of reference, followed by an interview.

Applicants who are past the application due dates and are still interested in applying or if you are in your PGY-5 year and are interested in participating in the PGY-6 year with our program please contact the Program Director.
