On behalf of Dr. Julio Martinez and Dr. Rob Nicolson, we are pleased to invite you to submit a research abstract for presentation at the Schulich School of Medicine & Dentistry **Developmental Disabilities Academic Research Day**, to take place on **Thursday, May 3** at the Great Hall at Western University.

Trainees and junior faculty members will be given priority for presentations. Although we will try to accommodate speaker preferences, given space limitations, presentation format will ultimately be determined by the Organizing Committee.

Abstracts should clearly summarize Study Objectives, Methods, Results, and Conclusions. We will consider submissions for studies currently in progress, with preference given to completed projects. Please acknowledge sources of funding, as appropriate.

**The deadline for submissions is April 1<sup>st</sup>, 2018.**
