Stuff a Stocking for a Senior

HOLIDAY INITIATIVE

The Holidays are fast approaching and what a better way to celebrate than to give back? Last year our stockings for seniors initiative was such a great success and brought so much joy to the residence of Chelsey Park that we have decided to do it again!

We will be providing the gift bags, which can be picked up from the MSB 443. We encourage you to team up with a group or your lab and see how many gift bags you can fill together! Alternatively, you may choose to contribute a monetary amount and the admin team will use it towards items to fill the bags.

Your stuffed gift bags can be dropped off to MSB 443 by Friday, December 17th

See the following page for a list of gift items and happy giving - The ACB Admin Team

ACB SOCK DRIVE

In October ACB took the sock pledge with 519Pursuit, an agency that builds relationships with people experiencing homelessness. With the generous donations of our ACB members, we were able to gather 355 pairs of socks to support those in need within the London community.
