WELCOME GRADUATE STUDENTS
Let's show a warm ACB welcome to the 2023 cohort of Graduate Students!

MSc Anatomy & Cell Biology
- Paul Collie - Flynn Lab
- Elizabeth Fenton - Schmid/Hebb Lab
- Young Joo Kim - Duennwald Lab
- Megan Lave - Renaud Lab

MSc Clinical Anatomy & Cell Biology
- Layya Al Malouf
- Emily Danciu
- Amrutha Elanko
- Lina Nasirkadir

PhD Anatomy & Cell Biology
- Milica Pavlovic - Berube Lab
- Anahid Pourtousi - Berube Lab
- David Wu - Whitehead Lab
- Rehanna Kanji - Penuela Lab

INNOVATION IN ACB
Dr. Andrew Deweyer and Dr. Charys Martin began filming with the LightBoard in August and are excited to announce that the new system is up and running. What looks like a simple transparent “whiteboard” is actually a powerful tool that allows you to write naturally and maintain eye-contact with your audience. Their goal is to use this technology to create highly engaging and interactive asynchronous content for our learners.

CONGRATULATIONS

Congratulations to Dr. Jibran Khokhar, recently appointed as one of six new Canada Research Chairs at Western on August 29, 2023. Dr. Khokhar, now serving as the CRC in Translational Neuropsychopharmacology (CIHR Tier 2), is on a mission to unveil the enigmatic connection between substance use and severe mental disorders. Read more about it in the recent Western News Article titled “Six new Canada Research Chairs named at Western”

SCHOLARSHIPS, AWARDS & GRANTS

Congratulations to Jude Frie (Khokhar Lab) who won a Trainee Professional Development Award from the Society for Neuroscience.

Congratulations to Dr. Mariyan Jeyarajah from Renaud Lab on the remarkable accomplishment of being named one of this year’s recipients of the Governor General’s Academic Medals, recognizing outstanding academic excellence at the graduate level. Mariyan, a recent graduate in Anatomy & Cell Biology, successfully defended his thesis last January. Learn more about Mariyan and other Western Gold Medal Winners in the Western News article, "Western graduates receive Governor General’s Gold Medal".

Congratulations to the 2023 Schulich Medicine & Dentistry Internal Graduate Awards recipients:
- Hien Nguyen (Singh Lab) - Drs. Madge and Charles Macklin Fellowship for Publication in Medical Sciences Award
- Katherine Quesnel (Bérubé Lab) - Jonathan & Joshua Memorial Graduate Scholarship
- Alaa El-Cheick Mohamad (Schmid Lab) - Jonathan & Joshua Memorial Graduate Scholarship
- Emily Tomas (Shepherd Lab) - Morris Kroll Award-2023
- Elizabeth Fenton (Hebb/Schmid Lab) - Deans Research Scholarship
- Erica Kane (Whitehead Lab) - Deans Research Scholarship

Congratulations to Diba Chowdhury (Renaud/Lajoie Lab), Elizabeth Fenton (Hebb/Schmid Lab), Raluca Urian (Willmore Lab), and Michael Zheng (Lala/Renaud Lab) on each receiving the Children’s Health Research Institute (CHRI) Graduate Scholarship.
In the 2023 issue of Rapport magazine, the article "Puff, Puff, Pass" features Dr. Jibran Khokhar's research, illuminating the rise in the Canadian vaping market and investigating the real-world impact of nicotine and cannabis on the adolescent brain. [https://www.schulich.uwo.ca/rapport//2023/stories/puff_puff_pass.html](https://www.schulich.uwo.ca/rapport//2023/stories/puff_puff_pass.html)

PhD Candidate Mohammed H. Sarikahya and Dr. Steven Laviolette's recent study, published in the journal Molecular Psychiatry, revealed that prenatal cannabis exposure in rats has lasting and significant impacts on cognitive and memory functions. Their research was featured in a Schulich News story on August 3rd. Read the full story here.

Led by graduate student Liliana German-Castelan under the supervision of Dr. Vania Prado, a recent study highlights the crucial role of female sex hormones in the manifestation of Alzheimer's in the brain. Learn more about the research here.

We want to feature your new publications here! submit them to anatomy@uwo.ca

PAST ACB EVENTS
MURRAY L. BARR LECTURE & ACB RESEARCH DAY 2023
On Friday, October 27th, 2023 we had the honor of hosting Nobel Prize laureate Dr. Susumu Tonegawa for the 30th Annual Murray L. Barr Lecture. Dr. Tonegawa delivered a captivating talk on "Generalizable knowledge represented by overlapping memory engrams," followed by an engaging Q&A session with the audience. We were also privileged to have opening remarks from Dr. Penny Pexman, Western's Vice President of Research, and Dr. Robert Bartha, Vice Dean of Research & Innovation, SSMD. To make the occasion even more special, we welcomed David Barr, the youngest son of Dr. Murray L. Barr, and his wife Linda as distinguished guests to the lecture.

PUMPKIN PAINTING
ACB Grad Students had a blast at the Pumpkin Painting event hosted by the Student Council's Social Committee. The artistic flair was on display, and some of these gourd-geous creations were generously donated to our Pink Pumpkin Auction!
PAST ACB EVENTS CONT...

ACB HALLOWEEN COSTUME CONTEST
The halls were alive with spooky energy as ACB staff, students, and faculty flaunted their Halloween spirit at our annual Costume Contest!

The Renaud and Lala Labs stole the show, bringing Willy Wonka and the Chocolate Factory to life and snagging not only the golden ticket but also the coveted prize for the best group costume. Dr. Steve Renaud’s hair extension was a showstopper! And let’s not forget the Force was strong with Paul Collie (Flynn Lab) as he rocked the Jedi look, swooping in to nab the award for best individual costume as Luke Skywalker.

But the fun doesn’t stop there! Our honorable mentions deserve their moment in the spooky spotlight. The 1st Year Clinical Anatomy Students enchanted us with Snow White and the Seven Dwarfs, while the 2nd Year Clinical Anatomy Students taught us the 12 Cranial Nerves. We had game-worthy Super Mario from the Allan Lab and an enchanting Alice and the Queen of Hearts from the Schmid Lab. Special shout outs to Jennifer Devlin for nailing the “Working from Home” look and Justin Carmichael for his on-point impersonation of Dr. Hamilton!
UPCOMING ACB EVENTS

HOLIDAY SOCIAL

Join us for an evening of festive cheer at the ACB Holiday Social!

Drop in for light refreshments, delightful company, and some seasonal spirit, at The Wave, UCC, from 3:30pm on, where the bar will be available for individual purchases.

Please RSVP by Friday, December 8th, to ensure we have plenty of holiday delights for everyone.

We’re looking forward to celebrating the season with you!

MOVEMBER TRIVIA

Join the ACB Grad Student Council for a Movember Trivia Night at the Grad Club on Monday, November 27th, 2023 at 6:30pm.

Trivia will consist of three rounds with 5 members on each team. All students and staff are welcomed to participate! Not enough players to join you? Sign up as many people as you have and we will find a team for you! Only one person needs to sign-up per team. Registration can be done using this link: https://forms.gle/8DCgwtZWmLxTcynfM9

The cost will be $5/person with all proceeds going directly to the ACB Movember Campaign. Donations can be made in cash at the ACB office (MSB 443) or sent directly to paul.collie@hotmail.com via e-transfer.

ACB GIVES BACK

MOVEMBER INITIATIVE

Led by Paul Collie, the Graduate Student Council - Social Committee is powering the Movember campaign to raise awareness for men’s mental and physical health. Grow your best ‘mo or set a running goal! All members of Anatomy and Cell Biology are challenged to participate. If facial hair isn’t your thing, mo problem—set a running goal instead! Donate or sign up here to support this initiative.

HOLIDAY INITIATIVE - GIFT CARD DRIVE

This holiday season, we are once again collecting gift cards to bring joy to those in need in the London area through our partnership with $19Pursuit.

If you’d like to contribute and brighten someone’s day, simply pick up a gift card (minimum $5 value) during your next outing and drop it off at the ACB Admin Office (MSB 447) by Wednesday, December 20th.

Let’s come together and make this holiday season a little brighter for our community!

ST. JOHN'S HOSPITALITY DINNER

St. John's requires the ongoing support of Volunteers to help prepare and serve food at the community dinners. To register, please add your name to the volunteer sign up sheet by clicking here

BEST FIRST DAY INITIATIVE - 525 BACKPACKS!!!
Dr. Charys Martin collected and donated 525 backpacks, over 400 lunch bags, and supplies with the support of Anatomy & Cell Biology, LHSC Radiology, Whitecaps Soccer, friends, and family. Donations helped support the French board, high needs schools in the Catholic Board, and the Thames Valley Education Foundation's Best First Day Initiative. Schools requested over 70 bags, and thanks to the contributors, every child had the best first day.

THE GREAT PINK PUMPKIN AUCTION
The ACB Graduate Student Council hosted a pumpkin auction for Breast Cancer Awareness Month, raising $150 in support of breast cancer research on Monday, October 30th, in the MSB Lobby. Special thanks to Rehanna Kanji, Emily Danciu, and Elizabeth Fenton for coordinating the event, and to ACB Grad Students who contributed their painted pumpkins for the auction.

519PURSUIT SOCK DRIVE 2023
ACB participated in the 519 Pursuit Sock Drive once again, gathering an impressive total of 334 pairs of socks. These contributions will make a meaningful impact in supporting individuals facing homelessness in London and its surrounding areas. A heartfelt thank you to everyone who donated and supported our initiative this year!

FIGHT TO END HOMELESSNESS

Dr. Sarah “The Professor” McLean entered the ring on November 8th, not only raising her gloves but also an impressive $8,960, surpassing her fundraising goal in the fight to end homelessness. Read “The Professor's” inspiring journey in the Western Gazette Article titled “Western professor to fight charity boxing match for youth homelessness.” You can continue supporting her and Youth Opportunities Unlimited by donating here: http://raceroster.com/events/2023/74678/fight-to-end-homelessness/pledge/participant/20888415
