

LONDON, ONTARIO

WELCOME TO THE FOREST CITY

London is known as the “Forest City”, and we are big enough to have everything you need - in dining, culture, entertainment, shopping, sports - but with the added plus of a friendly ambience that is reminiscent of smaller communities.

Our calendar of festivals is year round, though summer is definitely the high season with special celebrations happening almost every weekend.

By road, rail or air, London is very accessible so it is easy to visit us! For example, Toronto, Windsor, Detroit, Cleveland and Buffalo are all within a 200 kilometre radius.

SOAP  Society for Obstetric Anesthesia and Perinatology

Victoria Hospital, LHSC has the
Society of Obstetric Anesthesia and Perinatology
Center of Excellence Designation.

Schulich
MEDICINE & DENTISTRY

Western

DEPARTMENT OF ANESTHESIA & PERIOPERATIVE MEDICINE

FELLOWSHIP PROGRAM

Anesthesia fellowships in acute pain, cardiac, liver transplant, neuroscience, obstetric, perioperative echocardiography & ultrasound, quality improvement, regional, simulation, and vascular & thoracic are offered each year at the London Health Sciences Centre and St. Joseph's Health Care London.

Fellowships are 12 months in duration.

Programs are individualized to meet the goals of successful applicants. Generally, clinical experience is the focus along with improvement in clinical research. Fellows spend approximately four days per week in clinical activities with one day per week protected for non-clinical activities, and participate in night call schedule (from home).

Fellows are also encouraged to be actively involved in resident, medical student and nursing education, didactic lectures and to participate in anesthesia rounds and specialty conferences.

Applications are usually considered 12 - 18 months prior to the start date.

ELIGIBILITY REQUIREMENTS

Requirements for Application:

- Candidates must possess a medical degree from a recognized University.
- Candidates must have completed an anesthesia residency program that is recognized by the CPSO.
- International Medical Graduates must be approved by the Postgraduate Education Office at Western University.
- English Language Requirement: ILTS / TOEFL-iBT required to achieve an overall score of no less than 100 with a minimum score of 24 in speaking or listening (IMG only).

For more information, visit us online:
