

## CAMPEP PhD Declaration Form

This form is to be completed by Medical Biophysics PhD students **within one year of the PhD start date**, declaring the intention to enter the Medical Biophysics CAMPEP PhD program.

Entry into the CAMPEP PhD program requires the approval of all signatories to this form. In particular, the CAMPEP Program Director will sign only if, upon review of the student's transcripts, the student has the necessary prerequisite courses to enter the CAMPEP PhD program.

**Only** students who have submitted this form with all signatures **within one year of the PhD start date**, and who satisfactorily complete all courses in the Medical Biophysics CAMPEP curriculum, will receive a letter from the CAMPEP Director attesting to their completion of the CAMPEP curriculum. **This attestation letter is required for entry to Medical Physics residency programs and will not be issued to any student who has not completed and submitted this form within one year of the PhD start date**, regardless of whether the student has completed the CAMPEP course curriculum.
