

Name:

**BMSc Hons degree with Double Majors:
Major Medical Cell Biology + Major IMS**
For students entering Yr 3 in 2025/26 and onward

Student Number:

Western Email:

11.0 unique courses must be completed for the modular requirements for the [Major in Medical Cell Biology](#) + [Major in IMS](#)

- check the boxes below, making selections from drop-down boxes (if present) and typing in courses if a drop-down box isn't present
- check [Access to Courses](#) for constraints on basic medical science courses (priorities, etc.) since having the prerequisite does not assure access to courses.
- Green courses are Admission Requirements and must be completed by the end of Year 2
- Blue courses are included in the Progression Requirements and must be completed by the end of Year 3
- Other courses can be completed in any year, provided the prerequisites are satisfied

NO course can be used in two places below, e.g., Anat Cell Bio 2200A/B cannot be used to satisfy more than one requirement below

0.5		Biochemistry 2280A		
0.5		Chemistry 2213A		
1.5		Biology 2290F/G, 2382A/B and 2581A/B		
0.5		Biology/Statistics 2244A/B		
1.0		*Anatomy and Cell Biology (ACB) 3309		
1.0		*1.0 course from picklist in Major Medical Cell Biology	+	
1.0		Medical Sciences 3990E		
1.0		1.0 course from Groups 1 and 2 in Major IMS	or	+
1.0		1.0 4000-level ACB course	+	
1.0		Medical Sciences 4200A/B and 4931F/G		
1.0		Medical Sciences 4000E		
0.5		0.5 substitute course for Major IMS: any basic med sci crs (choose subject; fill in course #)		
0.5		0.5 substitute course for Major Medical Cell Biology		
		= 11.0 courses	* 1.0 of these 2.0 courses must be completed by the end of Year 3 ** one of Biology 3316A/B or Physiology 3140A (not both) can be used towards the Major Med Cell Biology	

Full details about the [Common Course Policy](#) are found on the [BMSc website](#).

There are 2.0 "common courses": Biochemistry 2280A, Medical Sciences 4000E, and the best 0.5 from Bio 2290F/G, 2382A/B, 2581A/B, Chem 2213A, Bio/Stats 2244A/B. The 1.0 common course with the higher mark, either Medical Sciences 4000E or (Biochem 2280A + the best 0.5 from Bio 2290F/G, 2382A/B, 2581A/B, Chem 2213A, Bio/Stats 2244A/B) will be double-counted and used toward both Major modules.

Substitute courses: 0.5 substitute course is needed for each Major. The 0.5 substitute course for the Major in IMS must be a basic medical science courses numbered 2000 or above, e.g., Micro Imm 2500A/B

See the [Graduation Requirements for Honours Bachelor Degrees](#) (such as first-year, breadth, minimum mark and average requirements, etc.). *Your quick graduation check for BMSc Honours degree with Major in Medical Cell Biology + Major in IMS:*

<u>Year 1</u>	<u>Breadth</u>	Modular courses satisfy essay reqt	Majors	20.0 credits	13.0 senior credits, numbered 2000 and above
---------------	----------------	------------------------------------	--------	--------------	--

Submit this form for review to the [BMSUE Question Portal](#) if you have questions and/or want a graduation check. There is no need to submit the form if you are sure that your course selection satisfies all the requirements to graduate.
