# *Honours Specialization in Public Health*

**11.0 courses are required to complete the modular requirements for the Honours Specialization in Public Health. No course can be used in two places below:**

- check the boxes below and select/type in courses you have taken/are taking/plan to take
- see the Academic Calendar for course requisites and Access to Courses for constraints on basic medical science courses
- To meet the prerequisite requirements for courses listed in the module and complete your degree within 4 years, keep in mind the following:
  - **Green courses** must be completed by the end of Year 2.
  - **Blue courses** must be completed by the end of Year 3.
  - Other courses can be completed in any year, provided the prerequisites are satisfied.
