Major in Physiology
+ Major in IMS
for students in Yr 4 in 2025/26

11.0 unique courses must be completed for the modular requirements for the Major in Physiology + Major in IMS:

- check the boxes below and type in the courses you have taken, are taking, and/or plan to take
see Course Selection for general information about choosing your courses for Years 2-4
see the Academic Calendar for course requisites and Access to Courses for constraints on basic medical science courses
no course can be used in two places below, e.g. Physiology 3120 cannot also be used as 1.0 course from Group 1

Table with 3 columns: Credits, Course Name, and Selection Options. Rows include Biochemistry 2280A, Chemistry 2213A, Biology 2290F/G, 2382A/B and 2581A/B, Biology/Statistics 2244A/B, Physiology 3120, Physiology 3140A, Physiology and Pharmacology 3000E, 1.0 course from Group 1, 0.5 course from Group 1, 1.0 course from Group 1 and/or 2*, 1.0 4000-level "Physiol" or "Phys Pharm", Medical Sciences 4931G, 0.5 4000-level course from the subject areas in Major IMS, 0.5 substitute course for the Major in Physiology, 0.5 substitute course for the Major in IMS. Total = 11.0 courses.

* up to 1.0 course from Group 3 (but not PhysPharm 3000E) in the Honours Specialization in IMS may be used in place of up to 1.0 course from Group 2

Full details about the Common Course Policy are found on the BMSc website.

For these Double Majors, there are 2.0 "common courses": Biochemistry 2280A, Chemistry 2213A, Biology/Stats 2244A/B, and one of Biology 2290F/G, 2382A/B or 2581A/B (the Biology course with the highest mark is the common half course). The two common half courses with the highest marks are double-counted/used toward both Major modules. One of the remaining two common half courses is used only toward the Major in Physiology and the other remaining common half course is used only toward the Major in IMS, leaving each Major short by 0.5 course. For each module, a 0.5 "substitute course" must be taken.

See the Graduation Requirements for Honours Bachelor Degrees (such as first-year, breadth, minimum mark and average requirements, etc.).

Your quick graduation check for BMSc degree with Major in Physiology + Major in IMS:

Table with 6 columns: Year 1, Breadth, Essay reqt is satisfied with modular courses, Majors, 20.0 credits, 13.0 senior credits (# 2000 and above)

Submit this form for review ONLY if you are in Year 4 and unsure if all the requirements to graduate will be satisfied. To submit the form, go to the BMSUE Question Portal. Select your student category on the left and then Graduation Requirements on the right - upload your form

RESET FORM

Clicking "reset" will clear everything that you have entered above

BMSUE Office use only: Satisfies requirements for graduation. Student has been sent copy of form.
