**BMSc with Double Majors:**  
**Major Biochemistry + Major Pathology**  
*For students registered Yr 3 in 2025/26 and 2026/27, only*

**11.0 unique courses must be completed for the modular requirements for the [Major in Biochemistry](#) + [Major in Pathology](#)**

- check the boxes below, making selections from drop-down boxes (if present) and typing in courses if a drop-down box isn't present
- check [Access to Courses](#) for constraints on basic medical science courses (priorities, etc.) since having the prerequisite does not assure access to courses.
- **Green courses are Admission Requirements and must be completed by the end of Year 2**
- **Blue courses are included in the Progression Requirements and must be completed by the end of Year 3**
- Other courses can be completed in any year, provided the prerequisites are satisfied

*NO course can be used in two places below, e.g., Pathology 3700F/G cannot be used in two places below*

0.5		Biochemistry 2280A	
0.5		Chemistry 2213A or 2273A	
1.0		Biology 2382A/B and 2581A/B	
0.5		Biology/Statistics 2244A/B	
1.5		Biochemistry 3380G, 3381A and 3382A	
1.0		Pathology 3500	
1.0		1.0 from either Anat Cell Bio (ACB) 3309 or Physiology 3120	
1.0		1.0 Biochem course for Major Biochem	+
0.5		0.5 additional Biochem course for Major Biochem	
1.5		1.5 courses for Major Pathology	+
1.0		1.0 course for Major Biochem instead of Med Sci 4000E	+
1.0		1.0 course for Major Path instead of Med Sci 4000E	or +
<b>= 11.0 courses</b>			

Full details about the [Common Course Policy](#) are found on the BMSc website.

For these Double Majors, there is 1.0 "common course": Biochemistry 2280A and the better of Chemistry 2213A/B or Bio/Stats 2244A/B. These two half courses (1.0 common course) will be double-counted and used toward both Major modules. No substitute course is required.

See the [Graduation Requirements for Honours Bachelor Degrees](#) (such as first-year, breadth, minimum mark and average requirements, etc.). Your quick graduation check for BMSc Honours degree with Major in Biochemistry + Major in Pathology:

<u>Year 1</u>	<u>Breadth</u>	<u>Essay</u>	Majors	20.0 credits	13.0 senior credits, numbered 2000 and above
---------------	----------------	--------------	--------	--------------	--

**Submit this form for review to the BMSUE Question Portal if you have questions and/or want a graduation check. There is no need to submit the form if you are sure that your course selection satisfies all the requirements to graduate.**

RESET FORM

Clicking this button will clear all check boxes and any typing/selections that you have made.

**BMSUE Office use only:**

Satisfies requirements for graduation.
