

11.0 *unique* courses must be completed for the modular requirements for the [Major in Biochemistry](#) + [Major in Physiology](#)

- check the boxes below, making selections from drop-down boxes (if present) and typing in courses if a drop-down box isn't present
- check [Access to Courses](#) for constraints on basic medical science courses (priorities, etc.) since having the prerequisite does not assure access to courses.
- Green courses are Admission Requirements and must be completed by the end of Year 2
- Blue courses are included in the Progression Requirements and must be completed by the end of Year 3
- Other courses can be completed in any year, provided the prerequisites are satisfied

*NO course can be used in two places below, e.g., Biochemistry 3385B cannot be used as 0.5 additional Biochem from picklist in Major Biochem and as a substitute 0.5 course for the Major in Biochem.*

0.5		Biochemistry 2280A	
0.5		Chemistry 2213A or 2273A	
1.0		Biology 2382A/B and 2581A/B	
0.5		Biology/Statistics 2244A/B	
1.5		Biochemistry 3380G, 3381A and 3382A	
1.0		Physiology 3120	
0.5		Physiology 3140A	
1.0		Physiology and Pharmacology 3000E	
1.0		1.0 Biochem courses for Major Biochem	+
0.5		0.5 additional Biochem course for Major Biochem	
1.0		1.0 4000-level Physiol or Phys Pharm	+
1.0		1.0 course for Major Biochem instead of Medical Sciences 4000E	+
1.0		3000- or 4000-level course for Major Physiol instead of Medical Sciences 4000E	+
= 11.0 courses			

Full details about the [Common Course Policy](#) are found on the BMSc website.

For these Double Majors, there is 1.0 “common course”: Biochemistry 2280A and (the best of Biology 2581A/B, Bio/Stats 2244A/B and Chemistry 2213A/B). These two half courses (1.0 common course) will be double-counted and used toward both Major modules.

**Substitute courses:** NO “substitute courses” are required.

See the [Graduation Requirements for Bachelor Degrees](#) (such as first-year, breadth, minimum mark and average requirements, etc.). *Your quick graduation check for BMSc degree with Major in Biochemistry + Major in Physiology:*

Year 1	Breadth	Essay	Majors	20.0 credits	13.0 senior credits, numbered 2000 and above
--------	---------	-------	--------	--------------	--

Submit this form for review to the [BMSUE Question Portal](#) if you have questions and/or want a graduation check. There is no need to submit the form if you are sure that your course selection satisfies all the requirements to graduate.
