BMSc degree with Double Majors:
Major Medical Cell Biology + Major IMS
For students registered Yr 3 in 2025/26 and 2026/27, only

11.0 unique courses must be completed for the modular requirements for the [Major in Medical Cell Biology](#) + [Major in IMS](#)

- check the boxes below, making selections from drop-down boxes (if present) and typing in courses if a drop-down box isn't present
- check [Access to Courses](#) for constraints on basic medical science courses (priorities, etc.) since having the prerequisite does not assure access to courses.
- **Green courses are Admission Requirements and must be completed by the end of Year 2**
- **Blue courses are included in the Progression Requirements and must be completed by the end of Year 3**
- Other courses can be completed in any year, provided the prerequisites are satisfied

NO course can be used in two places below, e.g., Anat Cell Bio 2200A/B cannot be used to satisfy more than one requirement below

0.5		Biochemistry 2280A	
0.5		Chemistry 2213A	
1.5		Biology 2290F/G, 2382A/B and 2581A/B	
0.5		Biology/Statistics 2244A/B	
1.0		*Anatomy and Cell Biology (ACB) 3309	
1.0		*1.0 course from picklist in Major Medical Cell Biology	+
1.0		Medical Sciences 3990E	
1.0		1.0 course from Groups 1 and 2 in Major IMS	or +
1.0		1.0 4000-level ACB course	+
1.0		Medical Sciences 4200A/B and 4931F/G	
1.0		1.0 3000- or 4000-level ACB course, instead of Med Sci 4000E	+
1.0		1.0 course for Major IMS from Grps 1, 2, 4000-level bms, instead of 4000E	+
		* 1.0 of these 2.0 courses must be completed by the end of Year 3 ** one of Biology 3316A/B or Physiology 3140A (not both) can be used towards the Major Med Cell Biology	
= 11.0 courses			

Full details about the [Common Course Policy](#) are found on the BMSc website.

There is 1.0 "common courses: Biochemistry 2280A, and the best 0.5 from Bio 2290F/G, 2382A/B, 2581A/B, Chem 2213A, Bio/Stats 2244A/B. These two half courses (1.0 common course) will be double-counted and used toward both Major modules.

Substitute courses: no substitute courses are needed.

See the [Graduation Requirements for Honours Bachelor Degrees](#) (such as first-year, breadth, minimum mark and average requirements, etc.). *Your quick graduation check for BMSc Honours degree with Major in Medical Cell Biology + Major in IMS:*

<u>Year 1</u>	<u>Breadth</u>	Modular courses satisfy essay reqt	Majors	20.0 credits	13.0 senior credits, numbered 2000 and above
---------------	----------------	------------------------------------	--------	--------------	----------------------------------------------

Submit this form for review to the [BMSUE Question Portal](#) if you have questions and/or want a graduation check. There is no need to submit the form if you are sure that your course selection satisfies all the requirements to graduate.
