BMSc Hons degree with Double Majors:
Major Medical Cell Biology + Major Pathology
For students entering Yr 3 in 2025/26 and onward

11.0 unique courses must be completed for the modular requirements for the [Major in Medical Cell Biology](#) + [Major in Pathology](#)

- check the boxes below, making selections from drop-down boxes (if present) and typing in courses if a drop-down box isn't present
- check [Access to Courses](#) for constraints on basic medical science courses (priorities, etc.) since having the prerequisite does not assure access to courses.
- Green courses are Admission Requirements and must be completed by the end of Year 2
- Blue courses are included in the Progression Requirements and must be completed by the end of Year 3
- Other courses can be completed in any year, provided the prerequisites are satisfied

NO course can be used in two places below, e.g., Anat Cell Bio 2200A/B cannot be used to satisfy more than one requirement below

0.5		Biochemistry 2280A	
1.0		Biology 2382A/B and one of Biology 2290F/G or 2581A/B	
0.5		Bio/Stats 2244A/B	
0.5		Chemistry 2213A	
1.0		*Anatomy and Cell Biology (ACB) 3309	
1.0		*1.0 course from picklist in Major Medical Cell Biology	+
1.0		Pathology 3500	
1.0		Physiology 3120	
1.0		1.0 4000-level ACB course	+
1.5		1.5 courses for Major Pathology	+ +
1.0		Medical Sciences 4000E	
0.5		0.5 substitute course for Major Medical Cell Biology	
0.5		0.5 substitute course for Major Pathology	or
		= 11.0 courses	* 1.0 of these 2.0 courses must be completed by the end of Year 3 ** one of Bio 3316A/B or Physiology 3140A (not both) can be used towards the Major Med Cell Biology

Full details about the [Common Course Policy](#) are found on the BMSc website.

There are 2.0 "common courses": Biochemistry 2280A, Biology 2382A/B and Medical Sciences 4000E. The 1.0 common course with the higher mark, either Medical Sciences 4000E or (Biochem 2280A + Bio 2382A/B) will be double-counted and used toward both Major modules.

Substitute courses: 0.5 substitute course is needed for each Major.

See the [Graduation Requirements for Honours Bachelor Degrees](#) (such as first-year, breadth, minimum mark and average requirements, etc.). *Your quick graduation check for BMSc Honours degree with Major in Medical Cell Biology + Major in Pathology:*

<u>Year 1</u>	<u>Breadth</u>	<u>Essay</u>	Majors	20.0 credits	13.0 senior credits, numbered 2000 and above
---------------	----------------	--------------	--------	--------------	--

Submit this form for review to the [BMSUE Question Portal](#) if you have questions and/or want a graduation check. There is no need to submit the form if you are sure that your course selection satisfies all the requirements to graduate.

RESET FORM

Clicking this button will clear all check boxes and any typing/selections that you have made.

BMSUE Office use only:

Satisfies requirements for graduation.
