BMSc with Double Majors:

Major Medical Cell Biology + Major Pharmacology

For students registered Yr 3 in 2025/26 and 2026/27, only

11.0 unique courses must be completed for the modular requirements for the [Major in Medical Cell Biology](#) + [Major in Pharmacology](#)

- check the boxes below, making selections from drop-down boxes (if present) and typing in courses if a drop-down box isn't present
- check [Access to Courses](#) for constraints on basic medical science courses (priorities, etc.) since having the prerequisite does not assure access to courses.
- Green courses are Admission Requirements and must be completed by the end of Year 2
- Blue courses are included in the Progression Requirements and must be completed by the end of Year 3
- Other courses can be completed in any year, provided the prerequisites are satisfied

NO course can be used in two places below, e.g., Anat Cell Bio 3200A/B cannot be used to satisfy more than one requirement below

0.5		Biochemistry 2280A	
0.5		Biology 2382A/B	
1.0		0.5 from Bio 2290F/G or Chem 2213A	and 0.5 from Bio 2290F/G, 2581A/B, Chem 2213A, Bio/Stats 2244A/B
1.0		*Anatomy and Cell Biology (ACB) 3309	
1.0		*1.0 course from picklist in Major Medical Cell Biology	+
2.0		Pharmacology 3620 and Physiology 3120	
1.0		Phys Pharm 3000E	
1.0		1.0 4000-level ACB course	+
1.0		1.0 4000-level Pharm or Phys Pharm course	+
1.0		1.0 3000- or 4000-level ACB course, instead of Med Sci 4000E	+
1.0		1.0 3000- or 4000-level course for Major Pharm, instead of MedSci 4000E	+
		* 1.0 of these 2.0 courses must be completed by the end of Year 3	
		** one of Bio 3316A/B or Physiology 3140A (not both) can be used towards the Major in Medical Cell Biology	
= 11.0 courses			

Full details about the [Common Course Policy](#) are found on the BMSc website.

There is 1.0 "common course": Biochemistry 2280A and Biology 2382A/B. These two half courses (1.0 common course) will be double-counted and used toward both Major modules.

Substitute courses: NO substitute courses are required.

See the [Graduation Requirements for Honours Bachelor Degrees](#) (such as first-year, breadth, minimum mark and average requirements, etc.). Your quick graduation check for BMSc Honours degree with Major in Medical Cell Biology + Major in Pharmacology:

Year 1	Breadth	Essay	Majors	20.0 credits	13.0 senior credits, numbered 2000 and above
--------	---------	-------	--------	--------------	--

Submit this form for review to the [BMSUE Question Portal](#) if you have questions and/or want a graduation check. There is no need to submit the form if you are sure that your course selection satisfies all the requirements to graduate.

RESET FORM

Clicking this button will clear all check boxes and any typing/selections that you have made.

BMSUE Office use only:

Satisfies requirements for graduation.
