**BMSc Hons degree with Double Majors:**  
**Major Micro Imm + Major Pharmacology**  
*For students entering Yr 3 in 2025/26 and onward*

- 11.0 unique courses must be completed for the modular requirements for the [Major in Microbiology and Immunology](#) + [Major in Pharmacology](#)**
- check the boxes below, making selections from drop-down boxes (if present) and typing in courses if a drop-down box isn't present
  - check [Access to Courses](#) for constraints on basic medical science courses (priorities, etc.) since having the prerequisite does not assure access to courses.
  - **Green courses are Admission Requirements and must be completed by the end of Year 2**
  - **Blue courses are included in the Progression Requirements and must be completed by the end of Year 3**
  - Other courses can be completed in any year, provided the prerequisites are satisfied

*NO course can be used in two places below, e.g., Micro Imm 3200B cannot be used in two places below*

0.5		Biochemistry 2280A	
0.5		Chemistry 2213A	
1.0		Biology 2382A/B and 2581A/B	
0.5		Micro Imm 2500A/B	
1.5		Micro Imm 3610F <b>and</b> 3400A <b>and</b> one of Micro Imm 3200B or 3300B	
0.5		0.5 substitute course for Major Mic Imm: the other of Micro Imm 3200B or 3300B	
1.0		Pharmacology 3620	
1.0		Physiology 3120	
1.0		Phys Pharm 3000E	
1.0		1.0 4000-level Micro Imm for Major Micro Imm	+
1.0		1.0 4000-level Pharm or Phys Pharm	+
1.0		Medical Sciences 4000E	
0.5		0.5 substitute course for Major Pharmacology	or
<b>= 11.0 courses</b>			

Full details about the [Common Course Policy](#) are found on the BMSc website.

**There are 2.0 "common courses":** Biochemistry 2280A, Biology 2382A/B and Medical Sciences 4000E. The 1.0 common course with the higher mark, either Medical Sciences 4000E or (Biochem 2280A + Bio 2382A/B), will be double-counted and used toward both Major modules.

**Substitute courses:** 0.5 substitute course is required for each Major. The 0.5 substitute course for the Major in Micro Imm must be the third of Micro Imm 3200B, 3300B, 3400A (recommended, but not required, to be done in third year). For the 0.5 substitute course for the Major in Pharmacology, you can choose Biology 2290F/G or Bio/Stats 2244A/B or any basic medical science course numbered 2000 or above (choose the subject and indicate the course number, e.g., Anat Cell Bio 2200A).

See the [Graduation Requirements for Honours Bachelor Degrees](#) (such as first-year, breadth, minimum mark and average requirements, etc.). **Your quick graduation check for BMSc Honours degree with Major in Microbiology and Immunology + Major in Pharmacology:**

<u>Year 1</u>	<u>Breadth</u>	Modular courses satisfy essay reqt	Majors	20.0 credits	13.0 senior credits, numbered 2000 and above
---------------	----------------	------------------------------------	--------	--------------	--

**Submit this form for review to the BMSUE Question Portal if you have questions and/or want a graduation check. There is no need to submit the form if you are sure that your course selection satisfies all the requirements to graduate.**

RESET FORM
