

Name:

Student Number:

## Major in Microbiology and Immunology + Major in Physiology

Western Email:

11.0 unique courses must be completed for the modular requirements for the [Major in Microbiology and Immunology](#) + [Major in Physiology](#)

- check the boxes below and type in the courses you have taken, are taking, and/or are planning to take - **no course can be used in two places below**
- see [Course Selection](#) for choosing courses in Years 2-4, the [Academic Calendar](#) for course requisites and [Access to Courses](#) for information about constraints

|                       |  |  |   |
|-----------------------|--|--|---|
| 0.5                   |  | Biochemistry 2280A   |   |
| 1.0                   |  | Chemistry 2213A and 2223B  |   |
| 1.5                   |  | Biology 2290F/G, 2382A/B and 2581A/B   |   |
| 0.5                   |  | Biology/Statistics 2244A/B   |   |
| 0.5                   |  | Biochemistry 3381A   |   |
| 1.5                   |  | Microbiology and Immunology 2500A/B, 3100A and 3300B (marks of at least 70% are required in 3100A and 3300B) |   |
| 0.5                   |  | One of Microbiology and Immunology 3610F or 3620G  |   |
| 1.0                   |  | 1.0 4000-level Mic Imm listed in Major Mic Imm   | + |
| 1.5                   |  | Physiology 3120 and 3140A  |   |
| 1.0                   |  | Physiology and Pharmacology 3000E  |   |
| 1.0                   |  | 1.0 4000-level "Phys" or "Phys Pharm"  | + |
| 0.5                   |  | <a href="#">0.5 substitute course for the either the Major in Micro Imm or Major in Physiology</a>           |   |
| <b>= 11.0 courses</b> |  |  |   |

Full details about the [Common Course Policy](#) are found on the BMSc website.

For these Double Majors, there are 1.5 "common courses": Biochemistry 2280A, Chemistry 2213A, and one of Biology 2382A/B or 2581A/B (the Biology course with the higher mark is the common half course). Of the 1.5 common courses, the two half courses with the highest marks are double-counted/used toward both Major modules. The remaining common half course is used only toward one of the Majors leaving the other Major short of a half course. A half "substitute course" must then be taken for the Major that is short by a half course.

Quick graduation check for BMSc degree with Major in Microbiology and Immunology + Major in Physiology:

|               |                |                        |        |              |  |
|---------------|----------------|------------------------|--------|--------------|--|
| <u>Year 1</u> | <u>Breadth</u> | <u>Essay satisfied</u> | Majors | 20.0 credits | 13.0 senior credits, numbered 2000 and above |
|---------------|----------------|------------------------|--------|--------------|--|

Submit this form for review **ONLY if you are in Year 4 and unsure if all the requirements to graduate will be satisfied**. To submit the form, go to the [BMSUE Question Portal](#). Select your student category on the left and then Graduation Requirements on the right - upload your form
