**BMSc Hons degree with Double Majors:**  
**Major One Health + Major Physiology**  
For students entering Yr 3 in 2025/26 and onward

**11.0 unique courses must be completed for the modular requirements for the [Major in Pathology](#) + [Major in One Health](#)**

- check the boxes below, making selections from drop-down boxes (if present) and typing in courses if a drop-down box isn't present
- check [Access to Courses](#) for constraints on basic medical science courses (priorities, etc.) since having the prerequisite does not assure access to courses.
- Green courses are Admission Requirements and must be completed by the end of Year 2
- Blue courses are included in the Progression Requirements and must be completed by the end of Year 3
- Other courses can be completed in any year, provided the prerequisites are satisfied

*NO course can be used in two places below, e.g., Biology 2581A/B cannot be used in more than one place below*
