BMSc Hons degree with Double Majors:
Major Pathology + Major Pharmacology
For students entering Yr 3 in 2025/26 and onward

11.0 unique courses must be completed for the modular requirements for the [Major in Pathology](#) + [Major in Pharmacology](#)

- check the boxes below, making selections from drop-down boxes (if present) and typing in courses if a drop-down box isn't present
- check [Access to Courses](#) for constraints on basic medical science courses (priorities, etc.) since having the prerequisite does not assure access to courses.
- **Green courses are Admission Requirements and must be completed by the end of Year 2**
- **Blue courses are included in the Progression Requirements and must be completed by the end of Year 3**
- Other courses can be completed in any year, provided the prerequisites are satisfied

NO course can be used in two places below, e.g., Physiology 3120 cannot be used in more than one place below

0.5		Biochemistry 2280A	
0.5		0.5 from Bio/Stats 2244A/B or Chemistry 2213A	
0.5		Biology 2382A/B	
0.5		0.5 substitute course for Major Pharm	or
1.0		Pathology 3500	
1.0		Pharmacology 3620	
1.0		Physiology 3120	
1.0		Phys Pharm 3000E	
1.0		Anat Cell 3309	
1.5		1.5 courses for Major Pathology	+
1.0		1.0 4000-level Pharm or Phys Pharm course for Major Pharm	+
1.0		Medical Sciences 4000E	
0.5		0.5 substitute course for Major Pathol	or
= 11.0 courses			

Full details about the [Common Course Policy](#) are found on the BMSc website.

There are 2.0 "common courses": Biochemistry 2280A, Biology 2382A/B and Medical Sciences 4000E. The better of (Biochem 2280A + Biology 2382A/B) or Medical Sciences 4000E will be double-counted and used toward both Major modules.

Substitute courses: 0.5 substitute course is needed for each Major. If Bio/Stats 2244A/B is selected as the Admission Requirement (green text above) instead of Chem 2213A, then you must take Biology 2290F/G or Chemistry 2213A in the first drop-down box as 0.5 substitute course for Major Pharm. If Chemistry 2213A is selected instead of Bio/Stats 2244A/B as the Admission Requirement, then the 0.5 substitute course for Major Pharmacology will be one of the following from the second drop-down box: Biology 2290F/G, Biology 2581A/B, Bio/Stats 2244A/B or any basic medical science course numbered 2000 and above (choose the subject and indicate the course number, e.g., Anat Cell Bio 2200A).

See the [Graduation Requirements for Honours Bachelor Degrees](#) (such as first-year, breadth, minimum mark and average requirements, etc.). Your quick graduation check for BMSc Honours degree with Major in Pathology + Major in Pharmacology:

Year 1	Breadth	Modular courses satisfy essay reqt	Majors	20.0 credits	13.0 senior credits, numbered 2000 and above
--------	---------	------------------------------------	--------	--------------	----------------------------------------------

Submit this form for review to the BMSUE Question Portal if you have questions and/or want a graduation check. There is no need to submit the form if you are sure that your course selection satisfies all the requirements to graduate.
