BMSc Hons degree with Double Majors:
Major Pharmacology + Major IMS
For students entering Yr 3 in 2025/26 and onward

11.0 unique courses must be completed for the modular requirements for the [Major in Pharmacology](#) + [Major in IMS](#)

- check the boxes below, making selections from drop-down boxes (if present) and typing in courses if a drop-down box isn't present
- check [Access to Courses](#) for constraints on basic medical science courses (priorities, etc.) since having the prerequisite does not assure access
- **Green courses are Admission Requirements and must be completed by the end of Year 2**
- **Blue courses are included in the Progression Requirements and must be completed by the end of Year 3**
- Other courses can be completed in any year, provided the prerequisites are satisfied

NO course can be used in two places below, e.g., no course can be used as a substitute course **and to satisfy another requirement below**

0.5		Biochemistry 2280A	
1.0		Biology 2290F/G and 2382A/B	
0.5		Biology/Statistics 2244A/B	
0.5		0.5 from Biology 2581A/B or Chemistry 2213A	
2.0		Pharmacology 3620 and Physiology 3120	
1.0		Medical Sciences 3990E or Phys Pharm 3000E	
1.0		1.0 course from Groups 1 and 2 in Major IMS	or +
1.0		1.0 4000-level Pharm or Phys Pharm course for Major Pharm	+
1.0		Medical Sciences 4200A/B and 4931F/G	
1.0		Medical Sciences 4000E	
0.5		0.5 substitute course Major Pharm	or
0.5		0.5 substitute course: any basic med sci crs for Major IMS (choose subject; fill in course #)	
0.5		0.5 sub course: any basic med sci crs for Major IMS or Pharm (choose subject; fill in course #)	
= 11.0 courses			

Full details about the [Common Course Policy](#) are found on the BMSc website.

There are 2.5 "common courses": Biochemistry 2280A, Medical Sciences 4000E and the 1.0 lab chosen (Med Sci 3990E or Phys Pharm 3000E). The 1.0 common course with the higher mark, i.e., either Medical Sciences 4000E or the 1.0 lab, will be double-counted and used toward both Major modules.

Substitute courses: 1.5 substitute courses are needed. For the 0.5 substitute course Major Pharm, you can choose either Chem 2213A or Bio 2581B (whichever was not used above) OR you can fill in a basic medical science course numbered 2000 or above, e.g., Anat Cell Bio 2200A. For the other two substitute half courses, fill in a course #ed 2000-level or above from basic medical sciences. A full course, e.g., Pathology 3500, can be indicated above as two substitute half courses.

See the [Graduation Requirements for Honours Bachelor Degrees](#) (such as first-year, breadth, minimum mark and average requirements, etc.). **Your quick graduation check for BMSc Honours degree with Major in Pharmacology + Major in IMS:**

<u>Year 1</u>	<u>Breadth</u>	Modular courses satisfy essay reqt	Majors	20.0 credits	13.0 senior credits, numbered 2000 and above
