

ADMISSION REQUIREMENTS FOR BMSc DOUBLE MAJORS

LEGEND:
R = all MUST be taken as Admission Requirements
X = two MUST be taken as Admission Requirements
Y = one MUST be taken as an Admission Requirement
Admission Requirements must be completed by the end of Year 2

Note: modules that list either Chemistry 2223B or 2283G as an Admission Requirement do so because Biochemistry 3381A is a required course in the module (and the second half course in organic chemistry is a prerequisite for Biochemistry 3381A).
