### COURSE CONSTRAINTS FOR ANATOMY AND CELL BIOLOGY

There are three enrollment periods for Fall/Summer Courses:

1. **Priority Enrollment Period (July 5 - July 27):** Most basic medical science courses have priorities in place during this period.
2. **Adjustment Enrollment Period (July 28 - August 4):** Some basic medical science courses have priorities in place during this period. These courses also have priorities in place during the Priority Enrollment Period.
3. **General Enrollment Period (August 5 - Registration Date):** No basic medical science courses have priorities in place during this period.

Courses with a red background in the chart below are always reserved for the students registered in the modules indicated. Special permission will not be granted for other students to take these courses.

### Enrollment Periods During Which Priorities are in Place:

- **PEP-SL:**
  - **PEP-SR:**
  - **AEP**

### Wait Lists for Courses

Students will have the option to place themselves on a wait list for a class/course during all three enrollment periods. Wait lists will be maintained for courses with limited enrollment or where the amount of new students enrolling exceeds the number of spaces made available by course coordinators. Students will be enrolled in order of their wait list position number as long as they satisfy the conditions for enrollment from a wait list.

### Adjustment Enrollment Period (July 28 - August 4)
