There are three enrollment periods for Fall/Winter Courses:

- Priority Enrollment Period (July 6 – July 20): Some basic medical science courses have priorities in place during this period.
- Adjustment Enrollment Period (July 21 – August 1): Some basic medical science courses have priorities in place during this period.
- General Enrollment Period (August 6 – September 17): All basic medical science courses have priorities in place during this period.

Enrollment in some classes in the fall will be limited. Students will have the option to place themselves on a wait list for a class/course during all three enrollment periods. These courses also have priorities in place during the Priority Enrollment Period.

Students will have the option to place themselves on a wait list for a class/course during all three enrollment periods. These courses also have priorities in place during the Priority Enrollment Period.

**Priority Enrollment Period (July 6 – July 20):**

This students to register in the modules indicated by AEP, PEP, PEP-SL, PEP-SR, will be able to register in the course, subject to spaces being available.

- **AEP** students in this module have priority access until end of day on July 18.
- **PEP** students have been invited by students to register in the module until end of day on July 18.
- **PEP-SL** has a limited number of spaces available in the module until the end of day on July 20. If the limited number of spaces become filled, then additional students in this module cannot register even if the course is not full.
- **PEP-SR** students in a module that indicates AEP or PEP are able to register in a course during the Priority Enrollment Period because of a high enrollment during this period. The Office of the Registrar will notify the students in the module that indicates AEP or PEP, if the limited number of spaces becomes filled, then they can put themselves on a wait list. The Office of the Registrar will contact the students in the module that indicates AEP or PEP and PEP-SL, if the limited number of spaces becomes filled, they can put themselves on a wait list. The Office of the Registrar will contact the students in the module that indicates AEP or PEP and PEP-SL, if the limited number of spaces becomes filled, they can put themselves on a wait list.

**Adjustment Enrollment Period (July 21 – August 1):**

- **AEP** students in this module have priority access until end of day on July 28.
- **PEP** students have not been invited by students to register in the module until end of day on July 28.
- **PEP-SL** has a limited number of spaces available in the module until the end of day on July 29. If the limited number of spaces become filled, then additional students in this module cannot register even if the course is not full.
- **PEP-SR** students in a module that indicates AEP or PEP are able to register in a course during the Priority Enrollment Period because of a high enrollment during this period. The Office of the Registrar will notify the students in the module that indicates AEP or PEP, if the limited number of spaces becomes filled, then they can put themselves on a wait list. The Office of the Registrar will contact the students in the module that indicates AEP or PEP, if the limited number of spaces becomes filled, they can put themselves on a wait list. **General Enrollment Period (August 6 – September 17):**

- **AEP** students in this module have priority access until end of day on August 5.
- **PEP** students have not been invited by students to register in the module until end of day on August 5.
- **PEP-SL** has a limited number of spaces available in the module until the end of day on August 6. If the limited number of spaces become filled, then additional students in this module cannot register even if the course is not full.
- **PEP-SR** students in a module that indicates AEP or PEP are able to register in a course during the Priority Enrollment Period because of a high enrollment during this period. The Office of the Registrar will notify the students in the module that indicates AEP or PEP, if the limited number of spaces becomes filled, then they can put themselves on a wait list. The Office of the Registrar will contact the students in the module that indicates AEP or PEP, if the limited number of spaces becomes filled, they can put themselves on a wait list. The Office of the Registrar will contact the students in the module that indicates AEP or PEP and PEP-SL, if the limited number of spaces becomes filled, they can put themselves on a wait list.

**Wait Lists:**

Students who are unable to register in a course of interest during their enrollment period due to limited spaces in the course, can put themselves on a wait list. The priority enrollment condition will expire at the end of day on July 28 when the Priority Enrollment Period ends. The Office of the Registrar will run processes daily and enroll students from the wait list should spots become available during the Priority Enrollment Period.
