There are three enrollment periods for Fall/Winter Courses:

- **Priority Enrollment Period (July 8 - July 30):** All basic medical science courses have priorities in place during this period.
- **Adjustment Enrollment Period (July 31 - August 6):** Some basic medical science courses have priorities in place during this period. These courses also have priorities in place during the Priority Enrollment Period.
- **General Enrollment Period (August 7 - September 12):** All basic medical science courses have priorities in place during this period. These courses also have priorities in place during the Priority Enrollment Period.

Students with a reservation on a wait list are always restricted to the students registered in the modules indicated. Special permission will not be granted for other students to take these courses.

**Priority Enrollment Period (July 8 - July 30):**

- Students registered in the modules indicated by PEP, PEP-SL, PEP-SR, and R will be able to register in the course, subject to spaces being available.

**Adjustment Enrollment Period (July 31 - August 6):**

- Students registered in the modules indicated by PEP, PEP-SL, and PEP-SR will be able to register in the course, subject to spaces being available.

**General Enrollment Period (August 7 - September 12):**

- Students registered in the modules indicated by PEP, PEP-SL, PEP-SR, R, and AEP will be able to register in the course, subject to spaces being available.

### Wait Lists for courses

Students can put themselves on a wait list for a class/course during all three enrollment periods. Students will have the option to place themselves on a wait list for a class/course during all three enrollment periods...
