There are three enrollment periods for Fall/Winter Courses:

1. **Priority Enrollment Period (July 6 – July 28):**

   - For most medical science courses have priorities in place during this period. These courses also have priorities in place during the General Enrollment Period.

2. **General Enrollment Period (August 6 – September 17):**

   - Courses have priorities in place (in column) will be assigned to students registered in the module indicated. Special permission will not be granted for other students to take these courses.

3. **Adjustment Enrollment Period (July 29 - August 5):**

   - There are no courses reserved for students in particular modules during this Adjustment Enrollment Period.

   - **July 29:**
     - students who have completed a course or have been on a wait list for a course in the module during the Priority Enrollment Period may put themselves on a wait list for the same course during this period. To use this chart:

   - **By start of business day on July 30:** any student with the prerequisite will be able to register in basic medical science courses for which a priority was in place only for the Priority Enrollment Period, subject to spaces being available.

   - **Adjustment Enrollment Period (July 29 - August 5):**

     - There are no courses reserved for students in particular modules during this Adjustment Enrollment Period.

     - **July 29:**
       - subject to spaces available in the course, the Office of the Registrar will enroll students only if they have been on a wait list during the Priority Enrollment Period and have had access to the course for the Adjustment Enrollment Period (SEP in column charts). Students will be enrolled in order of their wait list position number as long as they satisfy the conditions for enrollment from a wait list.

     - **July 29 - August 4:**
       - Adjustments will be made to the classes in the course that the Office of the Registrar will enroll students from existing wait lists, subject to spaces available in the course and conditions for enrollment from a wait list.

     - **By start of business day on August 4:** any student with the prerequisite will be able to register in basic medical science courses for which a priority was in place only for the Priority Enrollment Period, subject to spaces being available.
