### COURSE CONSTRAINTS FOR PHARMACOLOGY COURSES

There are three enrollment periods for Fall/Winter Courses:

1. **Priority Enrollment Period (July 5 – July 27):**
   - Limited priority access is in place during this period. Students registered in the selected modules may register for the courses in their community for which they have priority access.
   - Students who register in a module for which priority access is not given (blank in the constraint chart) will not have priority.

2. **Adjustment Enrollment Period (July 28 – August 4):**
   - This period is for students to register in courses for which they do not have priority access. Students will be enrolled in order of their wait list position number but only if spaces are available and students satisfy the conditions for enrollment from a wait list.

3. **General Enrollment Period (August 5 – September 16):**
   - This period is for students to register in courses for which they do not have priority access. Students will be enrolled in order of their wait list position number but only if spaces are available and students satisfy the conditions for enrollment from a wait list.

#### Wait Lists for courses

Wait lists will open up in the block of limited spaces allocated to them during the Priority Enrollment Period. If the limited number of spaces become filled, then additional students in the same modules cannot register even if the course is not full. Note: PEP-SL – students need also be registered in Honours Degrees with Double Majors.

#### BY START OF BUSINESS DAY ON JULY 27:

- All students in the modules have priority access until end of day on July 27. Note: PEP-SL – students must also be registered in Honours Degrees with Double Majors.

- All students in the modules have priority access until end of day on July 27.

#### BY START OF BUSINESS DAY ON AUGUST 5:

- Students will have the option to place themselves on a wait list for a class/course during all three enrollment periods.

- Students can only place themselves on a wait list for a class/course during all three enrollment periods.

#### Note:

- Students will have the option to place themselves on a wait list for a class/course during all three enrollment periods.

- Students will have the option to place themselves on a wait list for a class/course during all three enrollment periods.

### To see this chart:

1. Check the box immediately below the heading for the class in question (i.e., math, science, etc.)
2. Check the box immediately below the heading for the course in question (i.e., math, science, etc.)
3. Read the information in the constraint charts.
4. Check the box immediately below the heading for the module in question.
5. Check the box immediately below the heading for the requirement in question.
6. Check the box immediately below the heading for the prerequisite in question.
7. If the box is checked, the course is open to students in the module.
8. If the box is not checked, the course is restricted to students in the module.
9. Check the box immediately below the heading for the priority in question.
10. If the box is checked, the course is restricted to students in the module.
11. If the box is not checked, the course is open to students in the module.

### Wait Lists for courses

- Wait lists will open up in the block of limited spaces allocated to them during the Priority Enrollment Period. If the limited number of spaces become filled, then additional students in the same modules cannot register even if the course is not full. Note: PEP-SL – students need also be registered in Honours Degrees with Double Majors.
