Notes:

1. Of these 2.5 courses from Groups 1-2, a maximum of 2.0 courses can be from one subject area (e.g. a maximum of 2.0 can be Biochemistry courses). It is not mandatory to complete any Group 2 courses in the Major in IMS. A maximum of one half course from the courses listed in Group 3 of the Honors Specialization in IMS may be used in place of a half course from Group 2 in the Major in IMS. See the [IMS website](#) for more information about the Major in IMS.

2. A maximum of 1.0 "common course" can be double-counted toward two modules in a BMSc degree. See the [IMS website](#) for more information about the Common Course Policy as it relates to the Major in IMS.

3. See UNDERGRADUATE COURSE INFORMATION for course requisites and the BMSc website for information about constraints (priority and restricted access) for all basic medical science courses.
