

DIVISION OF CARDIOLOGY- SUMMARY OF WEEKLY ROUNDS

Monday, July 8 - Friday July, 12, 2019

Monday, July 8:

8:00-9:00		Cardiovascular Grand Rounds <i>No rounds during July and August. To resume September 9th.</i>
12:00-1:30	B6-115 UH OTN Event #: 102029938	Adult Congenital Cardiac Surgery Rounds <i>Videoconference from Toronto</i> Case-based presentation and discussion Learning Objectives: 1. To describe long-term complications and outcomes in adults with congenital disease. 2. To formulate a rational approach to the diagnosis and treatment of long-term complications in adults with congenital heart disease. 3. To recognize different diagnostic and therapeutic approaches in the treatment of adults with congenital heart disease. 4. To understand the importance of a systematic, multidisciplinary team approach to provide excellent care for adults with congenital heart disease.

Tuesday, July 9:

7:00-8:00		Complex Revascularization Rounds <i>No rounds this week.</i>
8:00-9:00	B6-115 UH & B2-074 St. Joseph's OTN Event #: 129836027	Heart Failure Rounds Presenters: Attendings & NPs Faculty Supervisors: S. Smith, R. McKelvie & S. MacGregor Learning Objectives: 1. To develop a systematic approach for management of patients with advanced heart failure despite usual care. 2. To discuss challenging cases and develop management plans. 3. To apply patient centered, evidence-based approach to advanced heart failure care in order to improve outcomes, decrease hospitalization and ensure that patients' goals are addressed to the best of our ability.
2:00-4:00	B6-128 UH	ACADEMIC HALF DAY/DIDACTIC EDUCATION SESSIONS
2:00-4:00		ECHO Basics Presenters: U. Manian/P. Antiperovitch Learning Objectives: 1. Review the images needed for a full transthoracic ECHO. 2. Review how the measurements are done for a TTE. 3. Review basic anatomy and calculations.

Wednesday, July 10:

8:00-9:00	B6-115 UH	EP Rounds: Tracing Rounds Presenters: Attendings & Fellows Learning Objectives: 1. To develop a systematic approach to EP tracings. 2. To discuss interesting case examples. 3. To review electrophysiology principles and concepts.
-----------	-----------	---

Thursday, July 11:

8:00-9:00	B6-128 UH	Graphics Rounds <i>No rounds - to resume September</i>
12:00-1:00		Echocardiography Rounds <i>No rounds - Staff Appreciation BBQ</i>
5:30	<i>Villa Cornelia, 142 Kent Street, London 519.679.3444</i> <i>Sponsor: Bayer Inc.</i>	Journal Club <i>Attendance open to Residents, Fellows and Division Members. RSVP to Charlene Grass (Ext. 33830 or email charlene.grass@lhsc.on.ca)</i> Presenter: T. Kafil Faculty Supervisor: P. Diamantouros Paper for Presentation: TBA Learning Objectives: TBA

Friday, July 12:

8:00-9:00	B6-115 UH OTN Event #: 129857832	EP Rounds: Technology Rounds Presenters: Attendings & Fellows Learning Objectives: 1. To review technological advances in EP. 2. To provide an overview of the principles behind the technology. 3. To review the clinical uses of the technology.
12:00-1:00	B6-128 UH	Transplant Rounds Presenters: Attendings & Fellows Learning Objectives: 1. To review the multidisciplinary issues surrounding transplantation and mechanical circulatory support. 2. To understand hemodynamics of heart failure patients. 3. To discuss the psychosocial issues surrounding transplantation and mechanical circulatory support.

Some of these educational activities/rounds are an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, approved by the Division of Cardiology Education Committee - Western University.

Supported by unrestricted grants-in-aid provided by:

Amgen Canada Inc. (Repatha)

AstraZeneca Canada Inc. (Brilinta (Ticagrelor))

Bayer Inc. (XARELTO® rivaroxaban tablet)

Bristol-Myers Squibb Canada & Pfizer Canada Inc. (Eliquis (apixaban))

Medtronic of Canada Inc.

Novartis Pharmaceuticals Canada Inc. (Entresto)

Servier Canada Inc. (Lixiana, Lancora)
